SUPPLEMENTAL INFORMATION DISCLOSURE STATEMENT

Sir:

In accordance with the provisions of 37 C.F.R. Sections 1.56, 1.97 and 1.98, Applicant and his attorney respectfully request that the following documents be made of record in the official United States Patent and Trademark Office file relating to the above-identified application. The citation of the following documents should not be construed as an admission that they constitute statutory prior art with respect to the present invention.

Applicant wishes to inform the Examiner of the following co-pending U.S. application, which is at least partially commonly owned with the present application:

U.S. Patent Application Serial No. 12/324,495 ("the '495 Application") filed November 26, 2008. A copy of the '495 Application and Figures, as filed, is attached. The title and applicants for the '495 Application are as follows:

Title: MINE-LIKE EXPLOSION SIMULATOR

Applicants: Diana P. Schaeffer and Cindy G. Gibson

In further compliance with the duty to disclose material information, applicant and his attorney also enclose a copy of a non-final Office Action mailed on October 9, 2008 in connection with U.S. Patent Application Serial No. 11/427,855 ("the '855 Application"), which is at least partially commonly owned with the present application. The '855 Application and all of the references cited in the non-final Office Action were previously cited in an Information Disclosure Statement submitted to the USPTO on March 24, 2008 in the instant application.

No fees are believed due in connection with this filing, however, if fees are due, including extension and petition fees, the Examiner is hereby authorized to charge them to Deposit Account No. 501561.

Respectfully submitted,

GREENBERG TRAURIG, LLP
